PROGRAM DESCRIPTION

New, clinically relevant information can take as much as 20 years to be incorporated into clinical practice. The pace of data acquisition far exceeds that at which practice change occurs, and the challenge of keeping abreast of what is truly worthwhile is immense. Much of the knowledge we need to meet the challenges of a cost-efficient health delivery system while providing quality patient care is readily available but it can be difficult to evaluate for significance. This symposium is intended to identify and make anesthesiologists aware of evidence-supported practices that can meet new performance metrics, reimbursement requirements, and benefit patients. Guidance on how to interpret new information such as that distilled in guidelines and practice advisories is included. The sessions will incorporate lectures, question and answer sessions, and interactive case discussion. Two optional workshops are offered.

EDUCATIONAL OBJECTIVES

Through participation in this conference, the participants will be able to

- Describe the utility of ultrasound guidance in regional analgesia/anesthesia
- Perform nerve imaging using ultrasound
- Identify changes in clinical practice that influence patient outcomes and healthcare economics
- Describe the impact of critical evaluation of medical practice on healthcare outcomes
- Incorporate clinical advisories and guidelines into individual practice models for patient care, performance metrics, and reimbursement
- Describe the factors influencing anesthetic morbidity in congenital cardiac disease

This year’s symposium includes three optional educational activities for interested participants.

MOCA® Simulation Workshop (UVA)

Thursday, May 12, 0800-1730 and repeated Sunday, May 15, 0800-1730 (maximum of 7 AMA PRA Category 1 Credits™; Cost $1,200)

The training will occur in the UVA School of Medicine Medical Simulation Center, an ASA accredited simulation center, and will be conducted by Dr. Keith E. Littlewood, who is Co-Director of the Center, with several faculty members. (maximum enrollment 8; sign-up on a first-come, first-served basis. Priority will be given to those who require MOCA®). The Simulation Center is only a mile away from the Omni, and transportation to and from this workshop will be provided at no additional charge. The van will leave the Omni at 0715 on Thursday and Sunday mornings. This simulation course fulfills one requirement of the American Board of Anesthesiology’s (ABA) Maintenance of Certification in Anesthesiology Program (MOCA®) Part IV. Please consult the ABA website, www.theABA.org, for a list of all MOCA® requirements or the UVA Simulation Center website http://www.medicine.virginia.edu/education/more/simulation/moca-certification.html

Regional Anesthesia Workshop

Friday, May 13, 0800-1200 (maximum of 4 AMA PRA Category 1 Credits™; Cost $225) Hands-on Small Group Sessions for Nerve Location Using Ultrasound with Live Models: This workshop will provide experience using ultrasound for location of nerves for regional anesthesia (includes brief slide presentation prior to hands on). Faculty: Drs. Ashley M. Shilling, Lynda T. Wells, George D. Politis, Farnaz M. Gazoni, Van H. Nguyen, and Aric S. Jorgenson. (maximum enrollment = 30)

Breakfast Round Table Discussions

Saturday, May 14, 0650-0800 (non CME credit; no additional cost): Choose one of the following Round Table Discussions: MOCA® Round Table; Wellness Round Table; Meet your VSA Regional Director Round Table.
ACCOMMODATIONS
A block of rooms has been reserved at the Omni Hotel. Please call 800-843-6664 for reservations prior to April 20, 2011. Attendees will need to make their own reservations using the group name, 2011 Biennial Clinical Anesthesiology Symposium.

A block of rooms has also been reserved at the Courtyard by Marriott, University Medical Center (434-977-1700); please make your reservations 30 days prior to the conference using the group name, Anesthesiology Symposium.

REGISTRATION FEE
The registration fee includes course materials, the meals indicated on the program, all breaks, and the reception on Saturday evening.

DISCLOSURE OF FACULTY FINANCIAL AFFILIATIONS
The University of Virginia School of Medicine, as an ACCME accredited provider, endorses and strives to comply with the ACCME Standards of Commercial Support, Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines on the need for disclosure and monitoring of proprietary and financial interests that may affect the scientific integrity and balance of content delivered in continuing medical education activities under our auspices.

The University of Virginia School of Medicine requires that all CME activities accredited through this institution be developed independently and be scientifically rigorous, balanced, and objective in the presentation/discussion of their content, theories, and practices.

All speakers at an accredited CME activity are expected to disclose to the participants relevant financial relationships with commercial entities occurring within the past 12 months (such as grants or research support, employee, consultant, stockholder, member of speakers’ bureau, etc.). The University of Virginia School of Medicine will employ appropriate mechanisms to resolve potential conflicts of interest in order to maintain the standards of fair and balanced education for the participant. Questions about specific strategies can be directed to the Office of Continuing Medical Education, University of Virginia School of Medicine, Charlottesville, Virginia. The faculty and staff of the University of Virginia Office of Continuing Medical Education have no financial affiliations to disclose.

DISCLOSURE OF DISCUSSION OF NON-FDA APPROVED USES FOR PHARMACEUTICAL PRODUCTS AND/OR MEDICAL DEVICES
The University of Virginia School of Medicine, as an ACCME provider, requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. The University of Virginia School of Medicine recommends that each physician fully review all the available data on new products or procedures prior to clinical use.
ATTENDANCE AND CERTIFICATE DISTRIBUTION

The University of Virginia Office of Continuing Medical Education requires that all participants at live CME activities sign attendance sheets daily to confirm participation in the CME activity for that day. Participants are responsible for accurately tracking their actual participation at live events.

SPECIAL NEEDS

The Americans with Disabilities Act of 1990 requires that all individuals, regardless of their disabilities, have equal access. The Office of Continuing Medical Education at the University of Virginia School of Medicine is pleased to assist participants with special needs. Written requests must be received 30 days prior to the conference date. These should be mailed to UVA Office of Continuing Medical Education, Box 800711, Charlottesville, VA 22908 or to uvacme@virginia.edu. Some of the conference venues used by the University of Virginia Office of Continuing Medical Education are registered historic properties and may not be fully ADA accessible. Please feel free to contact the facility if you have specific questions.

LOCATION

This Symposium will be held at the Omni Hotel in Charlottesville, Virginia. The optional MOCA® Simulation Workshops will be held at the UVA Medical Center complex. The Saturday reception will be held at the Rotunda on the UVA Lawn.

CONFIRMATION & CANCELLATION POLICY

Upon receipt of registration and payment, you will receive an email confirmation. Registration fees will be refunded (less a $50 administrative fee) for cancellations received in writing a minimum of 14 days prior to the activity date. No refunds will be granted for registration fees of less than $50 or for cancellations made within 13 days of the activity.

The University of Virginia School of Medicine reserves the right to cancel CME activities if necessary. In this case, the entire registration fee will be refunded. All other expenses incurred in conjunction with this CME activity are the sole responsibility of the participant.

CONTACT INFORMATION

Please contact John A. Owen in the Office of Continuing Medical Education with any questions regarding this activity (phone: 434-924-5318; fax: 434-982-1415; email: jao2b@virginia.edu).

DIRECT SPONSORSHIP ACCREDITATION AND DESIGNATION STATEMENT

The University of Virginia School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Virginia School of Medicine designates this educational activity for a maximum of 19 AMA PRA Category 1 Credits.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

CONTINUING EDUCATION CREDIT

The University of Virginia School of Medicine awards 0.1 CEU per contact hour to each non-physician participant who successfully completes this educational activity. The CEU (Continuing Education Unit) is a nationally recognized unit of measure for continuing education and training activities that meet specific educational planning requirements. The University of Virginia School of Medicine maintains a permanent record of participants who have been awarded CEUs.
